

Strength-based Approaches Webinars: Humber and North Yorkshire

Do you want to find out more about how strength-based ways of working can improve outcomes for the people you support?

This is an opportunity for Adult Social Care staff across Humber and North Yorkshire to attend a webinar training session exploring the principles and practical applications of strength-based approaches. Webinars will take place on Microsoft Teams and include a range of interactive activities.

There are two different sessions available for different groups of staff:

Strength-based Approaches: General Awareness for Frontline Staff

This introductory session will explore what a strength-based approach is and how staff can apply this person-centred way of working to ensure better lives for individuals they support.

Strength-based Approaches: Planning, Reporting and Recording Outcomes for Social Workers

This training is specifically targeted at Social Work colleagues and will explore how to plan, implement and record practical, strength-based solutions with an individual.
